The screenshot shows the UltraISO application window. The main window displays a file list with columns for Name, Size, Type, Date/Time, and LBA. A settings dialog box titled "Настройки" (Settings) is open, showing the "Общие" (General) tab. The dialog includes options for the viewer program (set to Notepad.exe), file associations for various file types (iso, img, etc.), and a checkbox for "Интегрировать UltraISO в контекстное меню" (Integrate UltraISO into context menu), which is checked. The status bar at the bottom shows copyright information for EZB Systems, Inc. and file/catalog statistics.
